MDF Mission Statement

22 March 2018

“Local Company Celebrates 20 + Years of successful Trading”

MD Fabrication (UK) Ltd is a small **LOCAL** privately owned company offering a **personal in house manufacturing** service of all types of Windows. Doors, Porches, all styles of Conservatories/Roofs and the associated building work

We use the 70mm **DURAFLEX** Diamond Suite profile which has a Thermal Reinforcing to give a maximum U-Value , It is available in a large range of foiled and colored PVC-u. It’s a first class profile system resulting from many years expertise and testing within the double-glazing industry.

The double glazed units we use consist of internal 4 mm Low E glass, 20mm warm edge spacer, with argon gas and 4mm external low Iron glass . This produces a unit that is Rated at 1.1 U-value , with the thermal insulated frame equates to **“A “ Rated Window**

Our Windows are fitted with Maco “M”-Spag Multilocking system allowing the night vent facility , Two shootbolts, Three roller cams, security hinges and off- set white (or colour) locking handles. On our doors we use the 5 point locking system (BS3621) consisting of two hooks ,dead bolt ,two roller cams and 3D flag hinges all are fully reinforced.

Aligned with over thirty years hands on experience; all frames are **fully custom made** in our Ferndown Factory offering a full C.A.D conservatory drawing service to your specification and design. We do NOT buy in ready-made window frames.

We are a fully **Certified** FENSA and BFRC company and apart from our own, a full TEN-YEAR independent insurance Backed Guarantee by GGFfi Ltd is included.

All our services are offered to Trade, Commercial, Private and Retail customers and have continued to grow via personal recommendations over the last 20 years, and our aim continues to be complete customer satisfaction.

We offer competitive prices and quality work performed by skilled tradesmen.

Our factory and showroom is situated on the Ferndown Industrial Estate in the area of Poole and Bournemouth we have good access to service all local areas.

If possible please visit our web site <http://www.mdfabrication.co.uk> for further product specifications.
